Gentlemen:-

As per our conversation when at your place several weeks ago, I should like to get the following U. S. Postage stamps unused: viz: 1851 issue, 24¢, 30¢, and 90¢ and 1870 issue, 12¢ and 24¢, same to be bright and clean in every respect, and the perforating to be of equal distance from the plate of the stamp, in other words, that the perforating does not cut in the printing.

I noticed most of these stamps in one of your Albums, and as same was not your private collection, can you not send them to me on approval.

As the 1851 issue is now absolete, I persume you can sell them a little cheaper.

I noticed you had a 24¢ 1851 stamp which I should like to get, but would not care to pay more than 50¢ for same, and the other stamps of course in proportion.

I also noticed a 90¢ 1851 stamp, but think it a reprint or copy. How about it?

Your early reply will much oblige,

Yours truly,

L. H. Levering

Also say at what prices you could get me an unused envelope with that blue Franklin head thing at about 1854 issue- size of envelope in back. If you cannot get envelope how about wrapper? (You remember I spoke with you about this particular stamp)

Gentlemen

A little circumstance will not be amiss after I had the pipe that Hunter & went out to dress me. Had a relapse which left me in a worse condition than before and in fact am just again resuming my work. I trust this will satisfy your doubt as to the $25, which is enclosed. Have you commenced planing the M.C. crank shaft yet and could you get me a no. 1 reasonable price if I let you know what I want?

Gentlemen

It is with regret that I must return you the stamps unsold. but by reason of the recent railroad combination some of my best customers were discharged and others removed so it was of course out of the question for them to buy. They had already chosen their greater part of lot but when the crash came they would not buy — I return 12 $ amt you are out for postage as well as 15 $ for 1864 — 2 $ stamp

Gentlemen —

Your P/C of yesterday at hand and noted. The reasons I gave you for not being able to dispose of any of the other stamps should be satisfactory to any practical business man. Further mine in view of the fact that I paid you the charges to this place — so the only thing you are out is possibly one hours work in shipping them to me about which you made as much fuss as though your time was worth at least a dollar a minute. The only way that I will buy the proofs is for you to send to me and as stated before, if satisfactory will send you my check and if not satisfactory return them — so it will be a matter of two minutes for

for you to put my envelopes and address to me. If you then send them you want to see send in ordinary letter at once.

Yours truly
L. F. Leuenring
